

Sent home in agenda Oct. 4

Dear parents,

The reading for grade 1 French will be sent home in list of colour.

First list will be "Liste rouge", then "Liste orange" etc...

Each list comes with words "French popcorn words" and sentences.

Goal: To practice fluency and reading the words in context. The lists build in difficulty, and the sentence cards use words from preceding lists as well.

At home, your child needs to practice reading (out loud).

As a class, we have reviewed and read the words and sentences several times. This reading is to improve fluency and speed. Each time your child reads the words and/or sentences, please initial a box.

Please practice and review at home. I will be evaluating the reading at school.

Please keep this list at home, a copy of the list is also posted on the classroom website.
